June Flotilla Meeting Program

(From Tom Thayer, VFC)

We are pleased to announce that LCDR Laura Thompson, USCG, will be our guest speaker. LCDR Thompson has a degree in Electrical Engineering from the U.S. Coast Guard Academy. She achieved her Wings of Gold in 1997. She has flown helicopters in Puerto Rico, Los Angeles and Miami. She is currently the head Helicopter Instructor in Miami. She flew helicopters during the operation surrounding Hurricane Katrina and has a wealth of experiences to relate. Her appearance is brought to us by Robert Sando, who has been working in Auxiliary Helo Operations. It should be interesting. Come and enjoy. **June 5 at 1930. Uniform is Tropical Blue Long, Shoulder Boards and no collar devices.** See display in Auxiliary Manual on Page 10-51 (Men) or Page 10-81 (Women). Proper civilian attire is authorized. See Material Officer, Ron Barrett, if you need uniform items.

KEY DATES FOR JUNE

This section will highlight dates and events in the coming month. For a full listing, see the Calendar.

6/5	1930	Flotilla Meeting
6/7	1000	VE – Lake Ida
6/11	1900	AUXNAV Starts
6/19	1900	Staff Meeting
6/21	0900	VE – Silver Palm Park
6/25	1900	Div Mtg

Note: Calendars frequently change, check with event leader to verify

June Agenda

- Call to Order
- Pledge of Allegiance
- Invocation
- Introduction of guests
- Guest Speaker
- Commander's Report
- Awards and Recognition
- Vice Commander's Staff Reports
- Old Business
- New Business
- Adjourn
- Good and Welfare
- Fellowship

Antonio P. Quesada
Flotilla Commander 36
fc@cgauxboca.org

May 2008 was a very busy month for our Flotilla. We participated in National Safe Boating Week, PE courses (including BS&S), VE days, City proclamations and Memorial Day. These activities had many of you going from one volunteer function to another.

Thank you for giving of your valuable time to help out at these special events, and also for giving of your valuable time to participate at our regular missions on the water, in the radio room, at Station Ft. Lauderdale, at the base and at public classrooms.

Please continue to support the Auxiliary staff officers in these important missions.

June is here and hurricane season is once more hanging over our heads. We hope and pray that the 2008 hurricane season does not bring hard times. However we must be prepared for what might happen. With respect to post hurricane communication, I want to strongly emphasize the importance of having correct e-mail information on file with the Flotilla and the Coast Guard Auxiliary. If you have changed your e-mail address, Internet service provider or have recently connected to the Internet, please see FSO-IS Tom Rutherford to learn how to update your e-mail information on AUXDATA.

In Public Education, approximately ten people are enrolled in the Flotilla's eight-lesson program "Boating Skills and Seamanship". If you know of any neighbors or friends that would like to participate in a safe boating class let them know about this class. We have been trying to increase the number of people attending this course. If you the members try, we could increase the number of participants. Also, try to attend these classes. It

looks good to have members in uniforms available to answer student questions.

Our Member Training Program continues with the AUXACN program.

The hot weather is now upon us and more people will be on the water looking for relaxation. Since their safety is our concern, I encourage all Coxswains and Crew Personnel to please volunteer for the patrol schedule. Your presence on the water will help keep the Boaters of our AOR safe thereby fulfilling our Homeland Security Mission.

The Flotilla's Recreational Boating Safety (RBS) Visitor Program is in need of volunteers to get the "boating safety" message out to the boating public. The program allows the Auxiliarist to visit any business where a boater may be found such as health clubs, barbershops, beauty shops or doctors offices, as well as traditional marine businesses, such as, equipment suppliers, marine dealers and bait shops. If you know of any business that would be willing to display boating safety information and information about the Flotilla's PE programs or if you are interested in becoming an RBS Visitor please contact our VFC Tom Thayer, or the Division Staff Officer for Recreational Boating Safety Visitor Program.

Thanks for your help and support. All of us working together can get a lot done.

Pat Feighery, Irene Azzarito, Art Makenian, and Jerry Edelman represent the Flotilla on Memorial Day.

Ron Barrett and Tom Thayer accept a proclamation from the City of Delray Beach.

Tony Quesada accepts a proclamation from the City of Deerfield Beach.

Tom Thayer
Vice Flotilla
Commander
yfc@cgauxboca.org

It has been a very busy month for Flotilla 3-6. I am privy to Tony's report to our Division 3 Captain, Gwen Leys. It has never been filled with more activities. Congratulations to all of the members that participated in Flotilla Activities during this period. We had a nice turn out for the **Flotilla Picnic** on Saturday, May 10 at Spanish River Park. Nancy Godden, our Fourth Cornerstone Staff Officer, put together a fine event, with help from numerous individuals. Food, beverages, games and good cheer were abundant. Our thanks to Irene Azzarito, who may have more friends than all of the rest of us put together.

While I could single out numerous individuals, I would like to recognize Dr. Micky Jaffe for his superb commitment to the Vessel Examiner Program during National Safe Boating Week. I believe that Micky was at either Silver Palm Park or Lake Ida for seven straight days. Thank you, Micky.

Please invite your boat enthusiastic friends and neighbors to attend a meeting with you. We have fun and we have an ever increasingly important mission.

Till next month.....

***“Coming together is a beginning;
Keeping together is progress;
Working together is success”
–Henry Ford***

Thomas H. Kegan,
Member Training
Fso-Mt@cgauxboca.org

With 5 months gone , many members still need underway hours, 3 yr, currency maintenance rides with a QE, Those that are REYR in operations need to have 12 hours underway as a trainee before they can go for audit..

These Coxswains need 3 yr CM ride with a QE are: Pat Feighery, S. Grevemeyer, M. Hanuschak.

Members who require underway hours are:
I Azzarito, J. Bordelon, R. Celestino,
Ed Colina , R. Dillon, P Feighery,
S. Grevemeyer, M. Hanuschak. H. Houge,
T O'Brien, E Oleksak, A & T Rutherford,
D & T Sutherland, Mark & Marie Thompson,
R Tust, M Wasserman

Please Check AUXDATA , if there are discrepancy please have paper work to correct this and give to FC, VFC or me, If you do not have access to AUXDATA , also contact FC, VFC, FSO/Ops or me to produce it ,

On June, 11 2008 we will start a AUXOP course in Navigation, a schedule is in log.

This class is important to New and exciding Crew members and Coxswains as piloting is becoming more important in qualifications

Martin Jaffe
 VESSEL
 EXAMINATION
Fso-ve@cgauxboca.org

Thanks to the great effort of the Vessel Examiners, Trainees, Assistants, observes, and Public Affairs Personnel we had a banner month of May.

During National Safety Boating Week we did well over a hundred Vessel Safety Checks (VSC) and hundreds of safety educational publications were distributed to adults and children at Silver Pond, Lake Ida Parks, and private docks. I want to thank every one of you for your outstanding effort. hopefully the rest of the year will be just as successful if not better.

A Vessel Examiners Course is being planned in the near future, Those interested please let me know.

Please take note that VSCS will take place as usual the first and third Saturdays of the month. June 7th at Lake Ida Park 10 am to 2 PM, and June 21st at Silver Palm Park 9 AM to 2 PM. Thanks again for your help.
